Dear CASA Friends and Supporters:

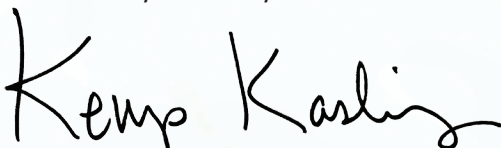

Years ago my wife volunteered with CASA. She loved getting to know and advocate for a child in foster care who had no one. Her experience still inspires us to do all we can to help make sure all children who need one have a CASA volunteer looking out and speaking up for them. But right now, about 500 children each year don't.

Last year our golf tournament raised more than \$126,000 to help abused and neglected children in our community. With such a successful tournament, we were able to offer teenagers who will age out of foster care targeted support to prepare for living on their own, develop a youth-centered approach to court hearings for teens, support babies and toddlers whose mothers are in recovery from drug addiction and increase cultural awareness among volunteers to provide the best advocacy for all children.

More than 1,400 children in our community depend on CASA, but we want to be there for every child who needs us. Please join me at the 2012 CASA Kids Golf Classic on Monday, May 7, 2012 at The Hills Country Club! You will enjoy an excellent day of golf with great company, fun activities, tasty food and drinks and lots of prizes. A flighted scoring system gives more teams a chance to take home first place! The night before the tournament enjoy our PAR-TEE at the beautiful University of Texas Alumni Center with great music, delicious food and exciting live and silent auctions.

Please join Jerry Conway and me for a beautiful day of golf with your friends to support those who need it the most—our community's abused and neglected children. Please review the enclosed opportunities and decide how you'll be involved. Last year we sold out, so sign up your team soon!

We'll see you in May!
